

## WHAT DID ANCIENT EGYPTIAN CHILDREN LOOK LIKE?

Find the bronze mirror frame shaped like this. Draw your face in the mirror to look like an Ancient Egyptian. Both boys and girls wore make up. You can find out what this was like by looking at pictures in the gallery. What hairstyle do you think you would have had?

Draw your favourite object from the gallery here.

## MATERIALS.

Draw a line to show which object was made from which material. Can you find all these objects?

Length 630mm.

bone or  
ivory

wood

Length 18mm.

Length (maximum) 145mm.

papyrus

faience

Length 139mm.

## EVIDENCE FROM ARTEFACTS

Look in all the displays.

Find something which shows that Ancient Egyptians

Write about or draw it here

---

believed there would be work to do in the Afterlife;

---

thought cats were very important animals;

---

planted seeds and grew crops.

## WEIGHING OF THE HEART CEREMONY.

Look for this picture on Ankh Hor's mummy case. Can you work out who is saying what? Match the speech bubbles to the right person with a line.

I am the ibis-headed god. I am leading Ankh Hor towards Osiris.

I am the Devourer. I will eat Ankh Hor if his heart is heavy.

I am the jackal-headed god. I am weighing Ankh Hor's heart against the feather of truth.

I was a priest in the temple of Amun. I hope my heart is lighter than a feather.

Thoth

Ankh Hor

Devourer

Anubis
