Goggle Template:

Print: you can print these goggles on A4 card

Trace: alternatively, you can simply trace around or copy this template

1. Cut out all pieces around the **thin** dotted line (see guide)
2. Glue the two eye pieces together along the **thick** dotted line
3. Cut slits into the corner of the eye pieces to attach goggle arms
4. Insert goggle arms through the slits and then fold back through the slits on the arms
5. Now look again at the ST*ART ... Looking activity PDF
