ROMAN COINS

Look at the faces on Roman coins in the gallery. They are drawn *in profile* (which means, from the side). Draw your own face, in profile, on the blank coin. How would you look? What kind of hairstyle would you have had?

THE CROWNTHORPE HOARD

Find this object. Someone buried this. When was it buried? Who was Queen of the Iceni at this time? This was very special to its owner. Why do you think it was buried?

Work with a friend and tell the story. Why did the owner bury it and why did he or she never come back to find it?
