

Decorative Arts Gallery

Have a look around the gallery. What messages do the objects communicate to you? With this in mind, write down anything in the gallery that you think relates to the following words...

- Spirituality

- Brutality

- Adornment

- Celebration

- Trade

- Conquest

- Fashion

- Commemoration

- Wealth

- Power

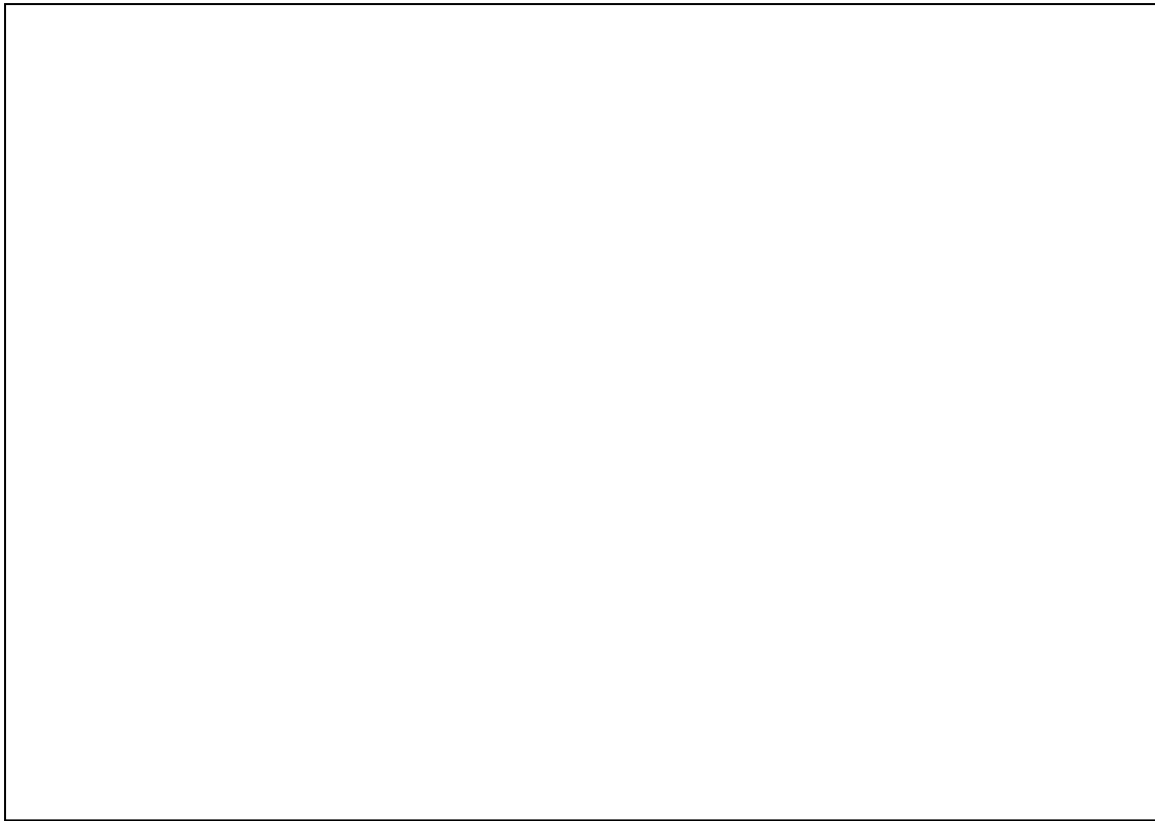

- Fragility

- Death

Can you add any words of your own?

Decorative Arts Gallery

Make a detailed drawing of any object that you find interesting and eye-catching.

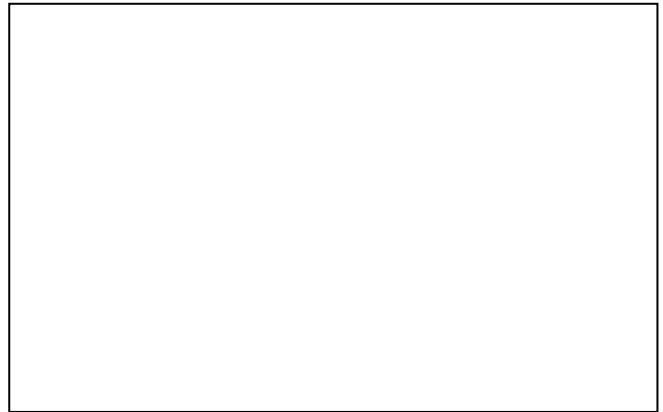

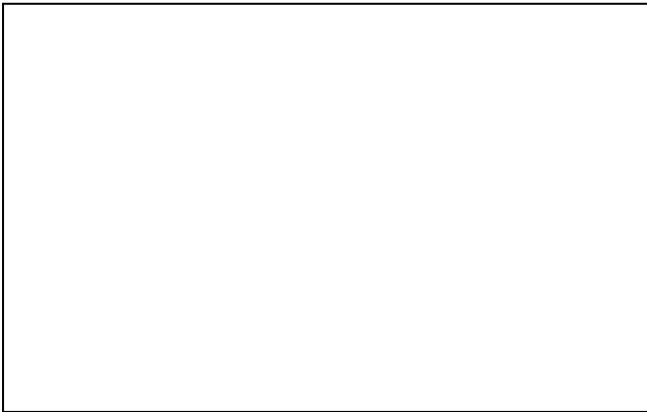

Add labels, and any information about its appearance and the material used, to help you remember it in as much detail as possible.

What do you like most about the object?

Think about who may have used the object. Describe what you think they would be like.

Decorative Arts Gallery

From the gallery, choose 2 items which you most identify with – either something you could imagine owning, or is most like something you already own. Draw and label them in the boxes below, with a short explanation.

Which 2 objects could you never imagine yourself owning? How would they change your image or identity if you did? Draw and label them in the boxes below, with a short explanation.
